Dear **Dr. Fuentes**:

Greetings of peace and good health.

The National Urban and Peri-Urban Agriculture Program (NUPAP) of the Department of Agriculture IX, will be having its FY 2024 1st Quarter National Assessment on April 11-12, 2024. The activity aims to evaluate the status implementation of FY 2024 Programs and Projects of NUPAP Operating Units and discuss and address the issues and concerns encountered by the implementing units. Unfortunately, the aforementioned activity interferes on the agreed- upon scheduled date of the **Gulayan sa Paaralan Program (GPP) Training on Vegetable Production** for this year's target schools of Pagadian City School Division.

Relative to this, we are rescheduling the Gulayan sa Paaralan Program (GPP) Training on Vegetable Production on **May 16-17, 2024**.

Finally, our GPP Focal Person, **Ms. Analiza M. Quilo**, will be coordinating with your good office for this particular event. Should you have any queries, your staff can reach her at her mobile number, **091-0304-6844** or email at nupap9@gmail.com.

Thank you for your time and consideration on this matter.

Sincerely,
