Schools Division Superintendent
Schools Division of Dipolog City

Ma'am:

Greetings!

The City Government of Dipolog, in collaboration with the Partnerships in Environmental Management for the Seas of East Asia (PEMSEA) through our MEP partner, will celebrate the **International Coastal Cleanup Day** on **September 21, 2024, 6:00 am**, at the **D'Food Hub and Events Center, Dipolog Boulevard**.

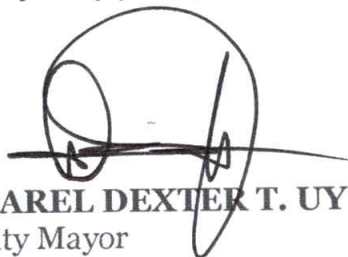

A simultaneous coastal cleanup drive will be conducted at various portions of the Dipolog Boulevard and other coastal stretch of the city. In this regard, coastal barangays are encouraged to also conduct a cleanup activity at the coastal stretch within their area of responsibility.

In line with this, we would like to **invite you to join us in the said activity**. Through your participation, we believe that we can further strengthen the city's efforts and initiatives to reduce marine litter.

Your presence and participation will greatly help in the success of this initiative for our environment.

Thank you.

Very truly yours,

DAREL DEXTER T. UY
City Mayor
