SCHOOL-BASED IMMUNIZATION MOP-UP SCHEDULE

In reference to Division Memorandum No. 408, s. 2024, dated September 12, 2024, titled “Interim Guidelines on the Resumption of the School-Based Immunization (SBI) Program after the COVID Pandemic.”

The mop-up immunization targets learners *with parental consent* who seek to receive immunization but were not vaccinated during the initial immunization date. These immunizations are important to protect our learners from vaccine-preventable diseases, thereby supporting herd immunity.

Additionally, the vaccination team will conduct mop-up immunization efforts in schools with low vaccination turnout. *(Please see Enclosure 1)*

Immediate and widest dissemination of this Advisory is highly desired.
